Public Events & Information

Aug -Sept 2024

CELEBRATE..

We are expanding.. the previous three issues of the printed Seeley's Bay & Area Newsletter reached 540 area homes via Canada Post, directly into their mail boxes. Additional copies were dropped off at Businesses and Community locations in both Lyndhurst and Elgin.

This non-profit, volunteer backed initiative was started and supported by SBARA to enhance community awareness of public events taking place. However in order to pay for itself, given limited area advertising, we needed less expensive printing.

So... our Editor Peter Brannen, found a printer that allows us to print more copies at a cheaper rate! Thus we can double our coverage to over 1100 homes and more than three thousand people! We did have to compromise on paper quality but feel the net result will be positive.

Most pictures have been taken & are available from area websites and facebook pages. Particularly;

Seeley's Bay Legion Honoring Locals

Branch 491 is excited to announce that "we are honouring past and present heroes by bringing **Veteran Honour Banners** to Seeley's Bay!"

Our goal was to have 17 banners sponsored to hang along Bay Street, with the goal of adding more later. But locals have stepped up yet again! Anita Hicks, the driving force behind this project reports that as of mid July "we have 20 Banners already sponsored by local Businesses, Community Groups & Individuals".

They will be put up beginning "National Legion Week", Septembere 15-21st, and come down after Remembrance Day where they will be kept at the local Legion for future use. This will become an annual event.

We hope eventually all area Veterans will be remembered this way, says Hicks.

If you would like to sponsor one please call 613-387-8756 or email maryanitahicks@gmail.com

Updated Information Kiosk

On Canada Day, the ribbon was cut on the updated information kiosk located at the Seeley's Bay Harbour. With the assistance of a Community Grant from The Township of Leeds and Thousand Islands, the Seeley's Bay Residents' Association (SBARA) fulfilled a long time desire to have user friendly and accurate information available for visitors to our shores.

The original signs and structure were constructed by community labour and donations and their contribution is recognized on the new signage. The sign can be updated easily as businesses change and there is a place to post coming events (on the left side) as well as business advertising (under the map).

Many thanks go to Cindy Healy for her outstanding work on the design and to both Cindy and Derek for painting the structure in preparation for the signage. Drop around by the docks and see what a vision and community support can do to improve a visitor's experience to our village.

Legion Branch 491 Past President Mike Hicks shown here with newly elected President Will Waddell who began his term recently. Mike stepped up two years ago from VP and brought it to where Branch 491 is today! Thank-you Mike!

Canada Day in the Bay!

by Jan Holland

Centennial Park was a sea of red and white on Canada Day in the Bay. This was the Seeley's Bay Area Residents Association's (SBARA) first year taking over the organizing of the event and it was a huge success. Largely in part by the cooperation of Mother Nature and with direction and assistance of previous organizers Sue Lackie, Peter Gard, Danny Roantree and Karen Simpson, SBARA acknowledged all their years of dedication during the opening ceremonies with a patriotic memento.

There was a little something for everyone to enjoy throughout the day. Six teams participated in a volleyball tournament, 34 pickle ball and tennis players took a swing on the courts, over 100 little faces got painted and enjoyed crafts and games, and 6 teams participated in the scavenger hunt. Twenty five children followed the pied piper Mr. Canada Danny Roantree in the parade followed by 17 floats behind bringing joy to all the spectators that lined the streets.

There were plenty of yummy foods available in the park and the smell of chickens being barbequed at the Legion filled the air. Karaoke and Backlash entertained the large crowd as they waited for the end of the day and witnessed a wonderful fireworks display.

SBARA would like to thank all the new members to the planning committee, led by Monique Hartley and the many volunteers that helped make the day such a great success. Special thanks go out to the Township, The Fire-fighters, The Lions Club and the Legion.

If you would like to become a part of this committee or volunteer a few hours occasionally please contact SBARA..
